

FRONT SEAT IS EASILY REMOVABLE

➔ **NEW FOR 2013**

Twin Heron

The Twin Heron is a truly unique tandem kayak. Featuring the innovative Auto Trim Hull, the Twin Heron is a tandem that performs well when paddled solo. The Auto Trim Hull is designed to prevent the bow from popping up when someone is seated solo in the stern seat. And, if that's not enough, you can completely remove the front seat making it perfect for your dog to ride along or easy access to your hunting or fishing gear. The Twin Heron is a great option for the outdoors family looking for a versatile craft.

FEATURES:

- Innovative, removable front seat for solo paddling with easy to access storage space
- Designed with a Auto Trim Hull (bow doesn't pop up when paddled solo from stern seat) which makes it perfect for paddling tandem or solo without having to adjust the seat.
- Comfortable carrying handles
- Glide Track adjustable foot brace system
- Cup holders
- Skid plate
- Also available in an Angler Edition which includes padded seating, 6 Cannon mount receivers, 2 Cannon rod holders, and Support Track adjustable foot brace system
